Dale,

EPA is looking into the permit history for several projects in Redwood City. We would like to request electronic and/or hard copies of historic and current permit documentation from the Water Board related to the following projects:

- Westpoint Marina
- Redwood City Salt Plant
- Pacific Shore Center
- So Bay Salt Ponds Restoration Project Ravenswood Complex

Specifically, we are interested in any 401, O&M, and NPDES documents. I will coordinate with Lila Tang regarding the NPDES information. As I mentioned on the phone, EPA would like to minimize expenditure of your staff resources from this request and we would be happy to come to the RB offices to assist in the gathering.

Thank you,
Jennifer
